

KYLLINGSTAD KLEVELAND

We are pleased to welcome our new partner Jens Baumann Melberg from 1 May 2017. His areas of expertise are M&A, E&P, corporate law and contract law.

Jens has previously worked with Kluge Advokatfirma DA until January 2010 and thereafter Advokatfirmaet Schjødt AS. During his time in Schjødt he worked mainly with M&A and oil and gas matters. Jens has also been seconded to DEA Norge AS acting as the legal manager and to ENGIE E&P Norge AS as Norwegian general counsel.

“We are delighted to announce the appointment of Jens Baumann Melberg as a partner in the firm. Jens will be a vital contribution to further strengthen our position within the oil, gas and offshore industries that are our main industrial areas and he will take an important role in our Corporate and M&A team”, says managing partner Per Kyllingstad.

Jens Baumann Melberg says *“I am very happy to join Kyllingstad Kleveland’s powerhouse of dedicated and hard-working specialists. My working capacity and areas of expertise will fuel the firm’s growth by adding capacity and widening our scope of services.”*

We welcome our new partner and we are sure that he will become a trusted advisor for our existing and new clients.
